Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at http://about.jstor.org/participate-jstor/individuals/early-journal-content.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

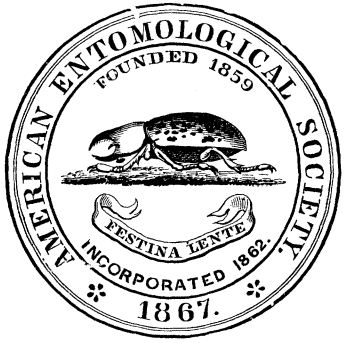
ENTOMOLOGICAL SOCIETY.

VOL. V.



PHILADELPHIA.

PRINTED BY THE SOCIETY.

1874—1876.

LIST OF PAPERS.

CRESSON, E. T. PAGE

Descriptions of new Hymenoptera. - - - - 99

Descriptions of new species of Mutilla. - - - 119

CROTCH, G. R.

Descriptions of new species of Coleoptera from the Pacific Coast of the United States. - - - - - - 73

EDWARDS, WM. H.

Descriptions of new species of Diurnal Lepidoptera found in North America. - - - - - - 13, 103

Description of a new species of Catocala from Arizona. 112

Descriptions of new species of Diurnal Lepidoptera found within the United States and British North America. 202

New species of Diurnal Lepidoptera. - - - 289

GROTE, AUG. R.

Remarks on North American Noctuidæ with descriptions of new species. - - - - - - - - 89

Descriptions of North American Moths. - - - 113

Note on Papilio Gundlachianus. - - - - 118

HORN, GEO. H.

Revision of the species of Trox of the United States. - 1

Descriptions of new species of United States Coleoptera. 20

Notes on the species of Rhipiphorus of the United States. 121

Synonymical Notes and Descriptions of new species of North American Coleoptera. - - - - - - 126

Revision of the United States species of Ochodæus and other genera of Scarabæidæ. - - - - - 177

HORN, GEO. H.

PAGE

Notes on the Coleopterous fauna of Guadalupe Island. 198

Description of a new species of Dacoderus from the Island of Santo Domingo. - - - - - - - - 219

Synopsis of the species of Cymatodera and Trichodes of the United States. - - - - - - - - 220

The sexual characters of North American Cicindelidæ with notes on some groups of Cicindela. - - - - 232

Notes on some Coleopterous Remains from the bone cave of Port Kennedy, Pennsylvania. - - - - - 241

Synoptic tables of some genera of Coleoptera, with notes and synonymy. - - - - - - - - - 246

Revision of the species of Chlænius of the United States. 253

LECONTE, JOHN L.

Descriptions of new Coleoptera chiefly from the Pacific slope of North America. - - - - - - 43

Notes on the genus Pleocoma, Lec. - - - - - 81

On the Cupesidæ of North America. - - - - 87

Notes on the Cicindelidæ of the United States. - - 157

Notes on the Rhysodidæ of the United States. - - 162

Descriptions of new Coleoptera of the United States, with Notes on Geographical Distribution. - - - 169

On the Affinities of Hypocephalus. - - - - - 209

MCCOOK, HENRY C.

Notes on the architecture and habits of Formica Pennsylvanica, the Pennsylvania Carpenter Ant. - - 277

OSTEN SACKEN, R.

Description of the Larva of Pleocoma, Lec. - - 84

INDEX.

The names of new genera and of new species are followed by the name of the Author.

PAGE.

Agama albipes, *Cress*..... 99
Agapostemon melliventris, *Cress*... 101
